

 Michigan Automotive Compressor, Inc. Quality Assurance Manual for Suppliers	Document Number:
	QA-SM-07
	Page 1 of 1
Subject: TS / ISO Certification	

PURPOSE:

Compliance with TS-16949 and ISO-9001 regulations ensures that the supplier adheres to necessary industry, customer, corporate, and government policies and operating procedures.

SCOPE:

Evidence of TS and/or ISO certification, as well as any relevant laboratory certifications, ensures that all policies and procedures adhere to corporate, government, and industry requirements. These certifications must be maintained and re-confirmed when renewed by re-submitting the latest copy of each certificate to MACI.

CONTENT:

Provide a copy of your most recent TS and ISO certifications, as well as any relevant laboratory accreditations, with the PPAP package. These certifications must be re-submitted to MACI as certifications are renewed.
