

 Michigan Automotive Compressor, Inc. Quality Assurance Manual for Suppliers	Document Number:
	QA-SM-20
	Page 1 of 1
Subject: Annual PPAP	

PURPOSE:

MACI requires all suppliers to complete an annual validation to comply with IATF16949 Customer Specific Requirements. This validation requires a two piece dimensional layout for all print dimensions. PPAP per the AIAG standard is to be submitted to MACI on an annual basis to comply with this requirement. The data is to be retained by the supplier to be provided to MACI upon request.

SCOPE:

The annual PPAP is required for each Mass Production part number supplied to MACI. This includes all mass production parts and raw materials contained in MACI's final product.

CONTENT:

For complete instructions on how to fill out a Parts Submission Warrant, please review the latest PPAP Book requirements. An example of an acceptable blank PSW form is provided in the Supplier Manual (QA-SM-03-F1).

Submit PSW to MACI on an annual basis for each Part Number supplied to MACI.
